## PROXY STATEMENT

---

### GENERAL INFORMATION

We are providing this proxy statement to you in connection with the solicitation of proxies by the Board of Directors of Liberty Bancorp, Inc. ("Liberty Bancorp" or the "Company") for the 2015 annual meeting of stockholders and for any adjournment or postponement of the meeting. Liberty Bancorp is the holding company for BankLiberty ("BankLiberty" or the "Bank").

We are holding the 2015 annual meeting at BankLiberty located at 9200 N.E. Barry Road, Kansas City, Missouri on Wednesday, May 20, 2015 at 5:30 p.m., local time. All stockholders of record will receive a shareholder notice, which will include voting instructions and access to the proxy statement on or about April 8, 2015.

Instead of mailing a printed copy of our proxy materials, including our Annual Report, to each stockholder of record, we have decided to provide access to these materials in a fast and efficient manner via the Internet. This reduces the amount of paper necessary to produce these materials, as well as the costs associated with mailing these materials to all stockholders. On April 8, 2015, we began mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to stockholders of record as of March 31, 2015, and we posted our proxy materials on the website. As more fully described in the Notice, stockholders may choose to access our proxy materials on the Internet or may request a printed set of our proxy materials. In addition, the Notice and website provide information regarding how you may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. For those who previously requested proxy materials or electronic materials on an ongoing basis, you will receive those materials as requested.

A copy of this proxy statement and the Company's 2014 Annual Report are available for viewing and printing at [www.envisionreports.com/LBCP](http://www.envisionreports.com/LBCP).

### INFORMATION ABOUT VOTING

#### Who Can Vote at the Meeting

You are entitled to vote your shares of Liberty Bancorp common stock that you owned as of March 31, 2015. As of the close of business on March 31, 2015, a total of 2,931,293 shares of Liberty Bancorp common stock were outstanding.

#### Ownership of Shares; Attending the Meeting

You may own shares of Liberty Bancorp either directly in your name as the stockholder of record or indirectly through a broker, bank or other holder of record in "street name" or both. If your shares are registered directly in your name, you are the holder of record of these shares and you will receive a shareholder notice, which will include voting instructions. As the holder of record, you have the right to vote in person at the annual meeting.

If you hold your shares in street name, your broker, bank or other holder of record is sending these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other

holder of record how to vote by completing and signing the proxy card that accompanies your proxy materials. Your broker, bank or other holder of record may allow you to provide voting instructions by telephone or by the Internet. Please see the instruction form provided by your broker, bank or other holder of record. If you hold your shares in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Liberty Bancorp common stock held in street name in person at the annual meeting, you must obtain a written proxy in your name from the broker, bank or other holder of record of your shares.

## **Quorum and Vote Required**

***Quorum.*** We will have a quorum and will be able to conduct the business of the annual meeting if the holders of a majority of the outstanding shares of common stock entitled to vote are present at the meeting, either in person or by proxy.

***Vote Required for Proposals.*** At this year's annual meeting, stockholders will elect two directors, who will each serve a term of three years. In voting on the election of directors, you may vote in favor of the nominees or withhold votes as to a specific nominee. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected. Approval of the proposal to ratify and approve the selection of BKD, LLP as our independent accountant and all other proposals that properly come before the meeting require the affirmative vote of a majority of the shares represented at the meeting and entitled to vote on the particular proposal.

***Routine and Non-Routine Proposals.*** The rules of the New York Stock Exchange determine whether proposals presented at stockholder meetings are routine or non-routine. If a proposal is routine, a broker, bank or other entity holding shares for an owner in street name may vote for the proposal without receiving voting instructions from the owner. If a proposal is non-routine, the broker, bank or other entity may vote on the proposal only if the owner has provided voting instructions. A broker non-vote occurs when a broker, bank or other entity holding shares for an owner in street name is unable to vote on a particular proposal because the proposal is non-routine and the broker has not received voting instructions from the beneficial owner. The election of directors is not currently considered a routine matter under the rules of the New York Stock Exchange. The ratification and approval of an accountant is considered routine.

***How We Count Votes.*** If you vote online, by mail, by telephone, or attend the annual meeting in person, we will count your shares for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes, if any, will be counted for purposes of determining the existence of a quorum but will not be counted as votes cast.

***How Does Our Board of Directors Recommend That I Vote?*** Our board of directors recommends that you vote:

- "FOR" the election of the nominees for director named in this proxy statement; and
- "FOR" the ratification and approval of BKD, LLP as our independent accountant.

## **Voting by Proxy**

The Board of Directors of Liberty Bancorp requests that you allow your shares of Liberty Bancorp common stock to be represented at the annual meeting by the persons named on the proxy card. All shares

of Liberty Bancorp common stock represented at the annual meeting by properly executed and dated proxy cards will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by a majority of the Company's Board of Directors.

If any matters not described on the proxy statement are properly presented at the annual meeting, the persons named in the proxy card will vote as directed by a majority of the Board of Directors. This includes a motion to adjourn or postpone the annual meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your Liberty Bancorp common stock may be voted by the persons named in the proxy card on the new annual meeting date as well, unless you have revoked your proxy. The Company does not know of any matters to be presented at the annual meeting other than those discussed in this proxy statement.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy you must either advise the Corporate Secretary of the Company in writing before your common stock has been voted at the annual meeting, visit [www.envisionreports.com/LBCP](http://www.envisionreports.com/LBCP), deliver a later-dated proxy, or attend the annual meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

### **Participants in the Amended and Restated Liberty Savings Bank Employee Stock Ownership Plan**

If you participate in the Amended and Restated Liberty Savings Bank Employee Stock Ownership Plan (the "ESOP"), you will receive a vote authorization form that reflects all shares you are entitled to vote under the ESOP. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the ESOP trustee how to vote the shares of common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. **The deadline for submitting ESOP participant's voting instructions to the ESOP trustee is May 14, 2015.**

## **CORPORATE GOVERNANCE**

### **Director Independence**

The Company's Board of Directors consists of six members, all of whom are independent under the standards determined by the Board of Directors, except for Brent M. Giles, who is not independent because he serves as the President and Chief Executive Officer of Liberty Bancorp and BankLiberty. In determining the independence of its directors, the Board considered transactions, relationships and arrangements between the Company, BankLiberty and their directors.

### **Committees of the Board of Directors**

As of December 31, 2014, the Company's Board of Directors had three committees: an Audit Committee, a Compensation Committee and a Nominating Committee. Brief descriptions of each committee are set forth below.

***Audit Committee.*** The Board of Directors has a separately-designated standing Audit Committee. The Audit Committee meets annually with its independent accountant and management to review accounting, auditing, internal control structure and financial reporting matters.

***Compensation Committee.*** The Compensation Committee approves the compensation objectives

for BankLiberty and establishes the compensation for the President and Chief Executive Officer and other executives, including base salary, annual incentives, long-term incentives, benefits and other perquisites. In addition to reviewing competitive market values, the Compensation Committee also examines the total compensation mix, pay-for-performance relationship, and how all elements, in the aggregate, comprise the executives' total compensation package. Decisions by the Compensation Committee with respect to the compensation of executive officers are approved by the Board of Directors. The Compensation Committee does not have a contractual arrangement with any compensation consultant who has a role in determining or recommending the amount or form of executive or director compensation. However, the Compensation Committee utilizes surveys prepared by trade groups and independent benefits consultants to evaluate compensation practices.

***Nominating Committee.*** The Nominating Committee is responsible for the annual selection of the Board of Directors' nominees for election as directors and for developing and implementing policies and practices relating to corporate governance, including implementation of and monitoring adherence to Liberty Bancorp's corporate governance policy.

### **Nominating Committee Procedures**

***Minimum Qualifications.*** The Nominating Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. A candidate must meet all qualification requirements set forth in any Board or committee governing documents. The Nominating Committee will consider the following criteria in selecting nominees: personal and professional integrity; knowledge of the banking business and involvement in the community; business and civic affairs; whether a nominee would provide for adequate representation of the Bank's market area; independence; and any other factors the Nominating Committee deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations. In addition, prior to nominating an existing director for re-election to the Board of Directors, the Nominating Committee will consider and review an existing director's Board and committee attendance and performance; length of Board service; experience, skills and contributions that the existing director brings to the Board; and independence.

***Director Nomination Process.*** The process that the Nominating Committee follows when it identifies and evaluates individuals to be nominated for election to the Board of Directors is as follows:

***Identification.*** For purposes of identifying nominees for the Board of Directors, the Nominating Committee relies on personal contacts of the committee members and other members of the Board of Directors, as well as their knowledge of members of the communities served by BankLiberty. The Nominating Committee has not previously used an independent search firm to identify nominees.

***Evaluation.*** In evaluating potential nominees, the Nominating Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. In addition, the Nominating Committee will conduct a check of the individual's background and interview the candidate.

***Consideration of Recommendations by Stockholders.*** It is the policy of the Nominating Committee of the Board of Directors of the Company to consider director candidates recommended by stockholders who appear to be qualified to serve on the Company's Board of Directors. The Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating Committee does not perceive a need to increase the size of the Board of Directors. In order to avoid the unnecessary use of the Nominating Committee's resources, the Nominating Committee will consider only those director candidates

recommended in accordance with the procedures set forth below.

***Procedures to be Followed by Stockholders.*** To submit a recommendation of a director candidate to the Nominating Committee, a stockholder should submit the following information in writing, addressed to the Chairman of the Nominating Committee, care of the Company's Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the stockholder making the recommendation, the name and address, as they appear on the Company's books, of such stockholder; provided, however, that if the stockholder is not a registered holder of the Company's common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and
5. A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of stockholders, the recommendation must be received at the principal executive offices of the Company not more than 90, but not less than 60, calendar days prior to the date of the annual meeting. However, if notice of the annual meeting is delivered less than 70 calendar days prior to the date of the meeting, the recommendation must be received within 10 days of the date on which the annual meeting notice is mailed.

### **Code of Ethics and Business Conduct**

The Company has adopted a Code of Ethics and Business Conduct that is designed to ensure that the Company's directors, executive officers and employees meet the highest standards of ethical conduct. The Code of Ethics and Business Conduct requires that the Company's directors, executive officers and employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in the Company's best interest. Under the terms of the Code of Ethics and Business Conduct, directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code.

### **Stockholder Communications**

The Company encourages stockholder communications to the Board of Directors and/or individual directors. Stockholders who wish to communicate with the Board of Directors or an individual director should send their communications to the care of Cathy Trusler, Corporate Secretary, Liberty Bancorp, Inc., 16 West Franklin, Liberty, Missouri 64068.
